

A message from The Picture Lady

Hi, My name is Donna Dayer and I am the lady who takes pictures at the AVHSA shows and at the Cowgirls for Christ barrel races. I decided to send this note out for those of you who don't know about how to get pictures from me. Here is how I operate:

- I take pictures of all riders at two or three of the AVHSA events.
- If you want me to make a special effort to take pictures of a particular rider all you have to do is give me his/her name and which class or classes he/she is in.
- I load the pictures on my laptop computer and bring it to the next horse shows so you can view the pictures.
- If you find pictures you would like to have developed you fill out an order form with your selections.
- I develop the pictures you order and bring them to the following horse show.
- You pay for the pictures when you pick them up.

My main photography goals are to provide memories for you and to free you from being concerned about getting pictures of riders and horses. If you have questions you can contact me at donnadayer@conwaycorp.net or call 501-733-1789.

Sincerely,
Donna Dayer

The Picture Lady
